Experts vs. SigLIP2 with clipping

10 of 10

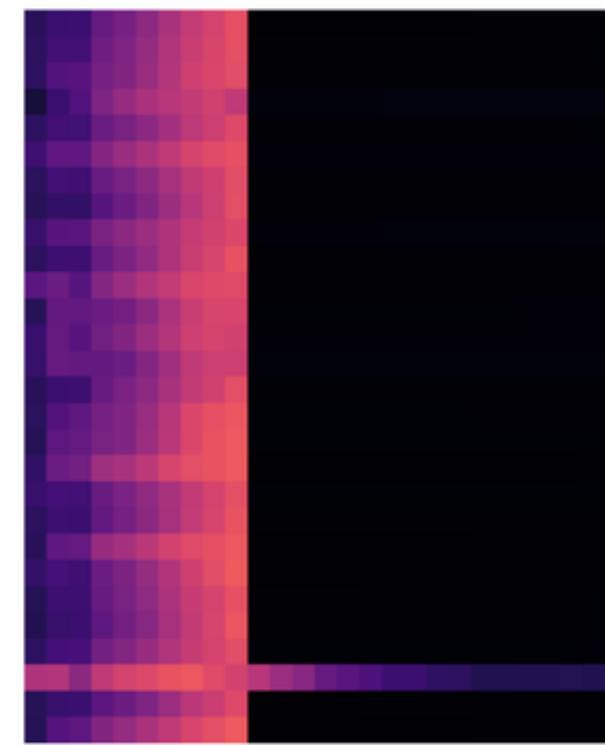

10 of 10

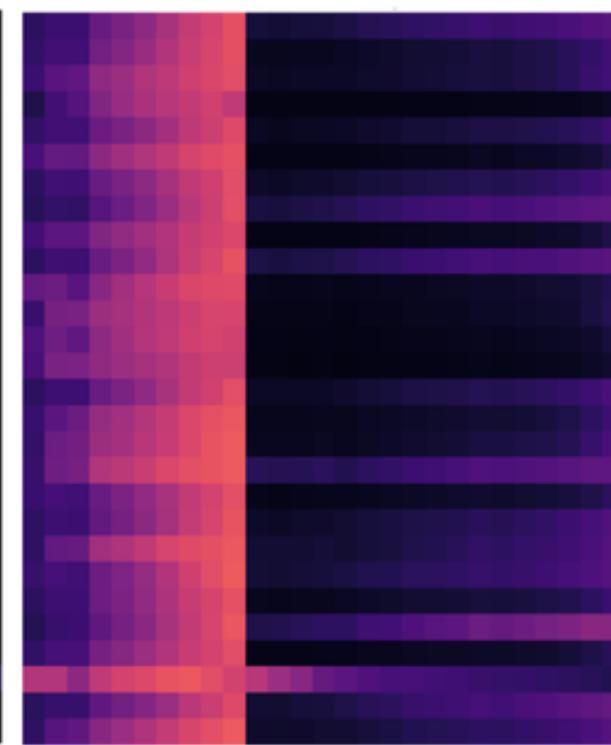

The figure displays a 10x10 grid of colored squares, each representing a different layer of expertise. The colors range from dark purple to light yellow, indicating the level of knowledge or confidence. The grid is organized into two main sections: a top section labeled "Experts (layer 10)" and a bottom section labeled "Experts (layer 1)". The columns are labeled with layer numbers from 1 to 100, and the rows are labeled with layer numbers from 10 to 1. The colors transition from dark purple at the top left to light yellow at the bottom right, suggesting a gradient of knowledge or confidence.
